# ABOUT US

**Welcome to Meme Season X (Long term project),**

MemeX is a passionate project of the team with the desire to revive the memecoin market on Binance Smart Chain. We believe that MemeX will truly become a unicorn in these difficult market times.

Join MemeX, the team will bring you on a bold journey with new plans to conquer new heights of memecoin that no other project has ever achieved. Join us and build the MemeX community to become the largest and most profitable community!

## MISSION

Our mission is to revitalise investors trust in the MEME community and send MemeX to +\$0.01 PRICE

## COMMITMENT

MemeX was created to fix the damaged reputation that MEME tokens bring to honest CRYPTO investors! Our team is here to stay and ensure MemeX becomes an established MEME project!

 MemeX 

Honest/transparent, community owned fun MEME project on Binance Smart Chain.

## Burn 🔥🔥🔥🔥🔥🔥🔥🔥🔥🔥

We plan to burning 🔥 50% of the tokens, we have locked 50% of the tokens, this will be opened in parts and burned. The burns will help MemeX prices stay strong.

Why should you trust us?

- Team tokens and donations locked for one year.
- 50% of the supply will be burned. 🔥🔥
- Contract Renounced

## People will join with confidence

| #                                                     | Price     | Burn |
